The story of Ratnam Stone Export ...

Founded in 1987, Ratnam Stone Export has emerged as a leading name in the exterior and interior porcelain tile, granite, marble, sandstone, limestone, and slate industry. With a streamlined production process and cutting-edge machinery, we are proudly recognized as a 2-star exporter by the Government of India.

Driven by a commitment to excellence, we place customer satisfaction at the core of everything we do, continually striving for improvement. Our products not only elevate architectural designs but also capture the timeless beauty of natural stone, reflecting both heritage and lasting elegance. At Ratnam Stone Export, we're not just providing stones—we're crafting enduring memories.
